worth a look

CarolCole™

NuFACE LIFTER, part of the new anti-aging infusion serums from CarolCole™, helps achieve a maximum lift. Vitamin C takes charge over free radicals and repairs damaged skin while lifting and toning; hyaluronic acid promotes absorption of vitamin C and hydrates the skin by maintaining in the connective tissues. 888-360-9171 or www.mynuface.com

Christina USA

Rejuvenating Serum from Christina USA is formulated to help minimize visible damage of aging skin. An exclusive blend of peptides minimizes wrinkles and helps increase collagen synthesis. A complex of antioxidants strengthens skin's defense from environmental damage, while a blend of herbal extracts works to even skin tone. 888-604-6268 or www.christina-usa.com

DR. GRANDEL, Inc.

DR. GRANDEL expands and upgrades their **MEN** skin care line. The line is now a collection of three creams for the face and one for the eyes that provide solutions to the full variety of skin-beauty concerns, help male skin to recover from daily stress and regain a healthy balance. Products in the line include: New: Revitalizer, Moisture Balm, Matt IQ and Eye Cream. 866-693-7006 (W), 888-266-0820 (SW), 260-444-2275 (MW), 888-845-1191 (SE), 877-374-4772 (NE), 800-561-3766 (Canada); www.grandel.de; or CRR# 178

Dr. med. Christine Schrammek

For intensifying daily cleansing, **GEL SUPER PURIFIANT** is a special clearing gel for oily and normal skin clears – soothes reddened skin. The cooling texture with panthenol and aloe vera refreshes and calms the skin. Free of parabens. www.schrammek.de, www.greenpeel.usa.com, or CRR# 273

Edimi Skin & Body Care™

Face and Neck Rejuvenator – The “Star” of the Edimi Skincare range. This cream is loaded with three peptides to help the skin self-heal and self-repair. In addition, it is also deep penetrating; rich in humectants, protectors and hydrators. 888-362-8425 or www.edimi.com

Éminence Organic Skin Care

Organic Beauty Tinted Moisturizers SPF 25 are age-defying and contain Biocomplex™, a super antioxidant booster that contains vitamins A, ester C, E, coenzyme Q10 and alpha lipoic acid. This product delivers a balanced mix of antioxidants and effectively combats free radicals. 888-747-6342, www.eminenceorganics.com, or CRR# 165

Germaine de Capuccini

Timexpert White is a complete treatment line which prevents and corrects the appearance of darkspots. Especially created for hyperpigmented and dull skin, darkspots gradually fade away and their number, size and intensity are reduced. A professional facial treatment and home care products are available. 800-842-9922 (NE and MW); 888-477-1477 (SE and W), www.germaine-de-capuccini.us, or CRR# 111
